## About This Game

Heroes of SoulCraft (HoS) is the best Arcade MOBA. Play a great MOBA in max 5 or 15 minutes on your PC, mobile phone or tablet against each other with mouse, gamepad or mouse/keyboard.

Heroes of SoulCraft (HoS) is an Arcade MOBA in which 2 teams fight against each other in fast-paced, tactical matches full of action and fun.

- Angels vs. Demons team battles in quick, tactical games full of action and fun
- If you like our previous games SoulCraft 1 & 2 you will love Heroes of SoulCraft
- Play 5 or 15 minutes with instant matchmaking.
- Need to leave the game early? No problem - we will join a new player into the running game.

Choose your hero

- Select one of 12+ heroes: play the melee dwarf "furious axe" Grimnor, the range fighter "loose cannon" Keely, the mage supporter "flower princess" Dalia or many more.

---

## Easy to learn

- Heroes of SoulCraft makes it very easy to learn the basics within a minute. Over time you can choose to do more things manually like skilling or item-buying for the full MOBA experience.

## Unleash your titan

- Ever wanted to take a huge fire dragon or a big rock golem into the battle? Now you can! Choose your titan to accompany you and customize your Hero by pre-configuring your item-deck.

Heroes of SoulCraft is now available as a first Alpha Version. Download now for free on Android or Windows and help us improve the game by giving us feedback in the forums.

This game made it lag to were it was always playing. Apparently i played 137 hours but I never did. I dislike this game strongly. Honestly overall its a fun game - I wouldn't hate the game if you haven't played much of it. It is for the tablet but who cares. I have only played about 5 hours and I think its really addicting if you have a decent team.
